WHAT YOU SHOULD KNOW ABOUT CALLING 911

911 lines are reserved for emergency calls to report a crime in progress, or a fire, or to request an ambulance. Using 911 for non-emergency calls may delay the arrival of help for people caught in real emergencies. In some communities, 311 is used for non-emergency calls to police and other government services.

Letter from the Publisher

Dear Local Residents and Valued Customers,

We’re pleased to release the 2018 Front Door Direct Loveland area telephone directory. This directory serves the greater Loveland areas including the communities of Berthoud, Campion, Drake and Masonville.

This year’s front cover created by Colorado Artist ‘Mark Ludy’ steps back in time and features the Western Stagecoach racing into town.

Special thank you to all advertisers who continue to support our locally based business and who experience a substantial return on investment with advertising in our Loveland area Directory—read their success stories at frontdooryp.com.

Front Door Direct is an environmentally conscious company. Our publications are printed on 100% recycled paper. The content of this directory is also available online at the newly-redesigned www.frontdooryp.com; as well as a handy, free phone app, available at the app store.

Users of the Front Door Direct books love the easy to read large type white and yellow pages and innovative text message offers found in many of the yellow page advertisements. Extra care has been taken in providing a complete Loveland area directory; which features a wealth of customized local content, event calendars, Front Range Brewery Guide, and public transportation information in our jam-packed Community Pages.

We are eager to hear your feedback and comments on the new Loveland Directory. Our offices are located at 140 W. Oak St. Ste 290, Fort Collins or we can be reached at 970-232-3170.

Front Door Direct, for all your Print, Mobile and Online advertising needs.

Kind regards,

Tom Tolbert

Fraud and Abuse Detection and Prevention Tips . . .

Health care error, fraud, and abuse affect everyone. They contribute to the rising costs of health care and, in some instances, diminish the quality of care that is provided.

Most health care providers are honest and are providing the best care possible, but the small number who aren’t find ways to steal billions of dollars from the health care system each year. Even more is lost to errors in billing that are never found.

It is in your best interest, and the best interest of all citizens, to be informed, aware, and involved in stopping and preventing error or fraud.

Be suspicious if a health care provider tells you that:

• The test is free; he only needs your Medicare number for his records.
• Medicare wants you to have the item or service.
• They know how to get Medicare to pay for it.
• The more tests they provide the cheaper they are.
• The equipment or service is free; it won’t cost you anything.

Be suspicious of providers that:

• Routinely waive co-payments without checking on your ability to pay.
• Advertise “free” consultations to Medicare beneficiaries.
• Claim they represent Medicare.
• Use pressure or scare tactics to sell you high priced medical services or diagnostic tests.
• Bill Medicare for services you do not recall receiving.
• Use telemarketing and door-to-door selling as marketing tools.

Types of Medicaid and Medicare Fraud and Abuse:

• Billing for services or supplies not provided.
• Providing the same equipment for all patients, whether it is needed or not.
• Billing for brand-name prescriptions when generic drugs were provided.
• Incorrectly reporting diagnoses, procedures, medications, or equipment to get a higher payment.

NEVER give your Medicare/Medicaid or Social Security number over the telephone or to people you don’t know.

NEVER allow anyone to convince you to contact your physician requesting a service you don’t need.

NEVER give your Medicare or Medicaid number to anyone for a free service. They don’t need your Medicare or Medicaid number if the service is truly free.

NEVER accept medical supplies or equipment from a door-to-door salesperson. Neither the Federal Government nor Medicare sell supplies or equipment door-to-door.

NEVER believe anyone who says they are from Medicare or any Federal agency trying to sell you products or services. Neither the Federal Government nor Medicare endorses the products or services of any individual or company.

ALWAYS rely on your personal physician to recommend all medical services and equipment for you.

KEEP a record of your health care appointments and services.

READ your Medicare Summary Notice (MSN) carefully.

Look for:
• Duplicate payments for the same service.
• Dates of service on the MSN that differs from the dates you actually received the service.
• Items or services you do not recall receiving.
• Billings for medical equipment or services that were not ordered by a physician.

CONTACT your health care provider, supplemental insurance company and/or carrier if you have questions about services listed on your MSN.

Social Security

Information You Should Know...

Your Social Security Number and Card

A Social Security number is important because you need it to get a job, collect Social Security benefits and receive some other government services. Many other businesses, such as banks and credit companies, also ask for your number.

If you are a noncitizen living in the United States, you also may need a Social Security number. For more information, see Social Security Numbers For Noncitizens.

For more information, visit www.ssa.gov or contact your local Social Security Office:

How do I get a number and card?

To apply for a Social Security number and card:

- Complete an application for a Social Security Card (Form SS-5); and
- Show us original documents or copies certified by the issuing agency proving:
  - U.S. citizenship or immigration status (including Department of Homeland Security (DHS) permission to work in the United States);
  - Age; and Identity.

Then, take or mail your completed application and documents to your local Social Security office.

Citizenship or immigration status: We can accept only certain documents as proof of U.S. citizenship. These include a U.S. birth certificate, U.S. consular report of birth, U.S. passport, Certificate of Naturalization or Certificate of Citizenship. If you are not a U.S. citizen, Social Security will ask to see your current U.S. immigration documents. International students must present further documentation.

Age: You must present your birth certificate if you have it or can easily obtain it. If not, we can consider other documents, such as your passport to prove age.

Identity: We can accept only certain documents as proof of identity. An acceptable document must be current (not expired) and show your name, identifying information and preferably a recent photograph. Social Security will ask to see a U.S. driver’s license, state-issued non-driver identification card, or U.S. passport as proof of identity.

If you do not have these documents we ask for, we will ask to see other documents including:

- Employee ID card
- School ID card
- Marriage document
- Health insurance card (not Medicare card)

How do I get a number and card? (cont’d)

All documents must be either originals or copies by the issuing agency. We cannot accept photocopies or notarized copies of documents.

We may use one document for two purposes. For example, we may use your U.S. passport as proof of both citizenship and identity. However, you must provide at least two separate documents.

We will mail your number and card as soon as we have all of your information and have verified your documents with the issuing offices.

What does it cost?

There is no charge for a Social Security number and card. You can report anyone attempting to charge you by calling our Office of the Inspector General hotline at 800-269-0271.

What if my card is lost or stolen?

You can replace your card or your child’s card for free if it is lost or stolen. However, you are limited to three replacement cards in a year and 10 during your lifetime. Legal name changes and other exceptions do not count toward these limits. Also, you may not be affected by these limits if you can prove you need the card to prevent a significant hardship.

Your replacement card will have the same name and number as your previous card.

What if my name changed?

If you legally change your name because of marriage, divorce, court order or any other reason, you need to tell Social Security so that you can get a corrected card. If you are working, also tell your employer. If you need to change your name on your Social Security card you must show us a recently issued document as proof of your legal name change.

Your new card will have the same number as your previous card, but will show your new name.

How can I protect my Social Security number?

You should treat your Social Security number as confidential information and avoid giving it out unnecessarily. You should keep your Social Security card in a safe place with your other important papers. Do not carry it with you unless you need to show it to an employer or service provider.
